Connections between the Deutsches Amt fuer Material und Warenpruefung (German Office for the Testing of Materials and Toods) (DAMW) in East Berlin and the Hungarian company for testing of imports and exports "MERT" have become closer. The "MERT" has some 350 employees and only a few laboratories, but has permission to use all testing installations in Hungary. First director of the "MERT" was one Oplat (fnu) and chief of the Main Department Heavy Industry was Ing. Egervary (fnu). Ing.

(fnu) was in charge of the negotiations in late March 1955.

wooden barrels, musical instruments, metal toys, and lungary by order of the "MERT". Testing of machines for
